ment available in the market

# VITAMIN C SERUM

**Rs. 1400**

Vitamin C is a powerful antioxidant and it is key to the production of collagen and elastin in the skin. It is known to have anti-aging effects and it also visibly improves deep lines, wrinkles, uneven skin textures and also dullness. These effects are further enhanced when it is mixed with Hyaluronic Acid, which is the formulation of the Vitamin C Serum.

## Benefits -

- Reduces wrinkles.
- Improves skin brightness.
- Hydrates skin.
- Improves skin elasticity.
- Helps with rough skin textures.
